WELCOME GUIDE

CANDID AND COLORFUL PHOTOGRAPHY FOR THE
LAID BACK AND FUN.

Hey you!

YOU'RE GETTING MARRIED!
THIS IS FUCKING AWESOME!

Choosing your wedding photographer is a big decision and I'm honored that you're here, thinking about me.

Let's take a second to let it sink in how amazing wedding days are- full of real moments and emotions, ups and downs, and all the in-betweens. That's what I love. I think real moments are the best ones, so my style is all about getting real, honest emotions and capturing that in photos.

I'll step in to tweak where you need a little guidance or help, but I do my very best to make sure you feel comfortable and can forget the camera as much as possible. I've been called a ninja on a wedding day more than once.

My style is all about getting you interacting with each other and lost in the moment, so you have an amazing time taking photos, and the results are fun and candid.

Sound good? Let's talk details.

CAN I TELL YOU SOMETHING?
I'M KIND OF A HOPELESS ROMANTIC.
I LOVE LOVE.

My approach to a wedding day is this: you should enjoy your day the way you want it. I see too many times couples getting caught up in day-of-drama or letting their timelines run the show. I like to make sure we plan the day around you and your priorities- whatever those are. More portraits? You got it. Want low-stress family time? Absolutely. I get to know my couples one-on-one so when the day comes, I can be your biggest advocate. You should be able to enjoy one another on your big day. I'll just be there in the background, sobbing over your first dance song choice and all the little details that tell your unique love story.

ABOUT ME

I'M BRITTANY - A KALAMAZOO BASED WEDDING PHOTOGRAPHER.

I'm a firm believer that coffee is always a good idea. When I'm not behind the camera, you can find me with my daughter and husband, reading a book, or exploring a new place. I will always ask about your cat and want to see pictures. One thing to expect from me is my hair is always a different color, and I'm probably gearing up for my next tattoo or rock concert.

Getting to know each couple and their unique story is my favorite part of the job. And I'm super pumped when we all get to grab a coffee or a beer together. (Banana flavored lattes and oatmeal stouts, all the way).

I can't wait to meet you and work together. I value love and the amazing reality that is marriage done well, and I am thrilled to be a part of the start of the journey for every couple I work with!

- Brittany

WE MAY BE A GOOD FIT IF:

NO. 1

YOU VALUE CONNECTION OVER PERFECTION. I'LL BE MAKING SURE YOU LOOK YOUR ABSOLUTE BEST, BUT GENUINE MOMENTS OF CONNECTION WILL ALWAYS BE MY PRIORITY.

NO. 2

YOU'RE A LITTLE, OR A LOT, NONTRADITIONAL IN ANY WAY. DON'T GET ME WRONG, I WORK WITH "TRADITIONAL" COUPLES TOO, BUT ANY ADDITIONAL FLAIR OR CUSTOMIZATION YOU WANT TO ADD TO YOUR WEDDING? I'M ALL IN!

NO. 3

YOU AND YOUR PARTNER ARE A BIT AWKWARD, GOOFY, PLAYFUL, OR HUGE NERDS. YOU ARE MY PEOPLE.

What Clients Say

CLIENT TESTIMONIAL

We honestly loved the entire experience from start to finish with Brittany. The experience was great, the photos were absolutely amazing, and the process working with her was so smooth. We will be recommending Brittany to everyone we know, and going back to her to capture any other important life experiences we have!

KARA & TRENT - OCTOBER 2021

CE WHAT MAKES ME UNIQUE?

Lets be honest, there are so many beautiful, incredible photographers out there. Many of them are people I've been privileged to call friends. I'm not going to tell you I'm better than they are - the truth is art is a personal thing that touches everyone differently. We all have our own unique style and creative vision that we uniquely bring to this world.

Here's what I'm all about: Getting to know you as friends, not just a client or a job. I LOVE getting to see my clients as friends, because when the wedding day comes I get to CELEBRATE WITH YOU! I'm not there to just photograph your wedding. I'm there to fix the dress, pin on the boutonnieres, help wrangle family, control the choas, and overall help you have the BEST day of your life.

Your wedding is YOUR story. Its beautiful, its messy, its totally unique, and I can't wait to capture every bit of it.

FAQ

DO YOU TRAVEL?

Yes! I love traveling all over Michigan and into other states. I travel anywhere within a 120 mile radius of Kalamazoo, MI for no extra cost. Each additional mile will be an added 50 cents. If a location is 3 hours away from me, I ask for a clean, safe hotel or add on a fee to book one myself.

ARE ENGAGEMENT SESSIONS INCLUDED?

Yes! Engagement sessions are included in all of my standard packages because I truly believe in the power of them. We get to know each other prior to your wedding day, you get experience behind the camera, and we can do fun things or explore new places we might not have time to do on the wedding day.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Every photo is edited to have my custom look applied and is adjusted for things like brightness and color. Simple skin touch-ups/blemish removal is done (with permission) on close up portraits of the two of you. Any additional editing (skin, fixing clothing, etc.) can be done for a fee of \$20 per image. I do not edit the look of body parts or change the appearance of someone (removing chin, making arms smaller, etc). If there is something specific you are looking for or something you're self-conscious about, talk to me prior to your wedding day so I can shoot accordingly and make you look and feel your very best!

DO YOU PROVIDE PRINTS?

Prints are not included in my wedding packages, simply because everyone has different tastes and I don't want you paying for something you don't want. However, if you'd like to print professional quality images, you can simply click "buy photo" in your gallery to be taken to multiple options of prints and products. I can only guarantee the quality of prints from my professional lab, but you will be provided with a print release to print your photos where and when you please.

FAQ

HOW WILL I RECEIVE MY IMAGES?

You will receive your images in an online, password protected gallery. From here, you can download (individual photos or the entire gallery), share on social media, and print through my lab.

WHEN WILL I RECEIVE MY PHOTOS?

You will receive a “sneak peek” of a few of my favorites from the day within 72 hours of your wedding. Your full gallery will be done and delivered to you in 8-10 weeks.

WHAT IF I DON'T NEED AN ENGAGEMENT SESSION?

Although I highly encourage an engagement session so we can get to know each other better and you can start to feel comfortable behind my lens, I would be happy to take \$100 off your package price OR add an extra 30 minutes of wedding day coverage OR book you an anniversary/family session to use within 1 year of your wedding if you opt to skip the engagement session.

WOULD YOU CONSIDER A PAYMENT PLAN?

Making sure quality wedding photography is available to couples who enjoy my work is very important to me. With that said, I will take payment plans if we discuss it BEFORE the contract is signed. The payment plan will need to be written into the contract, and I reserve the right to only take payment plans I am comfortable with.

DO YOU ALWAYS USE THE SAME SECOND SHOOTERS?

Yes, I do! If you are booking me for my style and experience, I think it's necessary to bring someone with me who mirrors those expectations. Each wedding season I have 2-3 people actively working for me who fit in well with my brand. Check out my blog to see current second photographers' work and bios!

Ready
to chat?

If you think we'd make an awesome team, the next step of this process is to get to know each other a little bit better and make sure we are a great fit!

I want to know all about you, your partner, and your wedding day plans to see how I can help.

If you're within an hour or so of Kalamazoo or willing to meet me, my favorite way to meet couples is in person over a coffee or a drink (my treat!) I'm also happy to chat via phone call, Zoom, or other video service.
